

International Union of Crystallography

Transfer of Copyright Agreement

Title of Article (*Please type or use capital letters*)

.....

Authors (*Please type or use capital letters*)

.....

Copyright to the above article is hereby transferred (except as otherwise required by national laws*) to the International Union of Crystallography, effective if and when the article is accepted for publication in *Acta Crystallographica* or *Journal of Applied Crystallography*. However, the authors reserve the following:

- (1) All proprietary rights other than copyright, such as patent rights.
- (2) The right to use all or part of this article in future works prepared by or on behalf of the author.
- (3) In the case of a 'work for hire', the right of the employer to incorporate all or part of this article in future works.
- (4) The royalty-free right of the employer to make copies of this article, without further permission, for his own use but not for resale. Any identification or notice appearing on pages to be reproduced must not be deleted.

This Transfer of Copyright must be signed by at least one of the authors (who agrees to inform the others, if any) or, in the case of a 'work made for hire', by the employer.

The signed statement must be received by the Editor or Co-editor to whom the article is submitted before the article can be accepted for publication. Requests for further information should be sent to the Executive Secretary of the Union.

* In this case please give further details overleaf.

For use of the International Union of Crystallography only.
