Received 16 June 2009; accepted 18 June 2009

The chemical name of the title compound in the paper by Sun, Li, Wang, Fu & Wang [*Acta Cryst.* (2009), **E65**, o262] is corrected and the structural diagram is updated.

In the paper by Sun, Li, Wang, Fu & Wang [*Acta Cryst.* (2009), **E65**, o262], the chemical name given in the *Title* should be '2-Hydroxy-*N'*-[(*E*)-(2-hydroxy-1-naphthyl)methylene]benzohydrazide'. An updated structural diagram is shown below.
