Received 14 December 2013; accepted 17 December 2013

The title in the paper by Elgemeie *et al.* [*Acta Cryst.* (2013), E69, o187] is corrected.

In the paper by Elgemeie *et al.* (2013), the scheme and title give the incorrect stereoisomer of the title compound. The correct title should be '(*Z*)-3-Amino-4-(2-phenylhydrazinylidene)-1*H*-pyrazol-5(4*H*)-one' and the correct scheme is shown below.
