

International Union of Crystallography

J. Appl. Cryst. (1992), **25**, 812

Prices of *Acta Crystallographica* and *Journal of Applied Crystallography*

The Executive Committee of the International Union of Crystallography is pleased to announce the launching of a new section of *Acta Crystallographica*, Section D (Biological Crystallography). Subscribers taking all sections of the journal will receive Section D automatically, at no additional cost, as will subscribers taking Section A or Section B. Subscribers who take only Section C will not receive Section D automatically but they may take out a separate subscription to Section D at the prices given below.

The Executive Committee has determined the following subscription rates and prices of back numbers for *Acta Crystallographica* and *Journal of Applied Crystallography* as from 1 January 1993.

Acta Crystallographica

The following rates will apply for Volumes A49, B49, C49 and D49 (1993). All subscription rates are fixed in Danish kroner. The US dollar equivalents are no longer given because of rapid fluctuations in exchange rates.

Complete volumes, regular price per volume

Sections A, B, C & D (combined subscription)	Dkr 7670
Section A only	Dkr 1800
Section B only	Dkr 1800
Section C only	Dkr 4350
Section D only	Dkr 1800

Complete volumes, reduced price for individuals

Sections A, B, C & D (combined subscription)	Dkr 2110
Section A only	Dkr 500
Section B only	Dkr 500
Section C only	Dkr 1240
Section D only	Dkr 500

All subscribers in the USA, Canada and Japan should add to the above subscription rates the additional charges for airfreighting as mentioned below.

The reduced-rate subscriptions are ordinarily only available to members of recognized scientific societies, and applications must be accompanied by a written undertaking that the journal is for the personal use of the subscriber and will not be made available to libraries, institutions etc. These conditions also apply to persons wishing to order back numbers at the reduced rates.

Single parts

The price of single parts of any Section of Volume 49 (1993) is Dkr 430.

Journal of Applied Crystallography

The following rates will apply for Volume 26 (1993). All subscription rates are fixed in Danish kroner. The US dollar equivalents are no longer given because of rapid fluctuations in exchange rates.

Complete volumes, regular price per volume

Dkr 1680

Complete volumes, reduced price for individuals
