In the paper by El-Hiti *et al.* [*IUCrData* (2018), **8**, x180443], there was an error in the title with respect to the chemical name.

The chemical name of the title compound in the paper by El-Hiti *et al.* (2018) is incorrect and should be '2-(3-(4-Bromophenyl)-5-{3-[5-methyl-1-(4-methylphenyl)-1*H*-1,2,3-triazol-4-yl]-1-phenyl-1*H*-pyrazol-4-yl}-4,5-dihydro-1*H*-pyrazol-1-yl)-4-(4-chlorophenyl)-1,3-thiazole', as given above. The chemical scheme is also corrected
